LADY 9ers CLINICS AT THE LINKS GOLF COURSE

The Links Golf Course is excited to offer free clinics to our Lady 9ers. These programs are designed to help you have more fun on the course and give you more opportunities to improve your game. Our PGA Professionals are dedicated to providing the best experience possible. The clinics will be split into three segments. The first clinic will focus on making more putts, the second will be a short game clinic, and the last will focus on golf fundamentals. Come to one or all three to learn how to play better and have more fun.

THE SOCIALS

Four post-golf socials have been set up to be a fun way to wind down after a day on the golf course. Each social will be held in the Links Grill.
