LADY 9ers  
LEAGUE  
@ The Links  
Golf Course**

## Socials

Throughout the season, we will have three official post-golf socials. These will be held in the Links grill or on the patio (weather permitting). They are designed to be a fun way to wind down and talk about the day's round and for everyone to get to know each other better. And there will of course be food and drinks made available.

You are always of course always welcome to congregate after your round even if there isn't an official social happening!

## Weekly Signup Procedure

Tee times will begin at approximately 3p.m. each Sunday. We encourage you to play with different ladies each week, but you are also welcome to sign up with the same group each week if you prefer. Tee time registration will take place on our league website:

## What is the LADY 9ers?

Are you looking to meet other lady golfers or to play in a non-competitive social league? If so, join the Lady 9ers League at The Links! This 9-hole golf league is great for spending time with friends while meeting new ones along the way.

## No-Show Policy

All golfers who book a tee time for the Lady 9ers league are expected to show up and play. No-shows have a very detrimental effect on our golf operations and threaten the sustainability of this league. As such we want to put our no-show policy in writing:

***Any league member who books a tee time and does not show will be subject to a \$15 no-show fee. You must cancel prior to 4pm the Friday before play to avoid this fee. Repeat offenders may lose their privileges to book tee times altogether.***
