Junior Golf Program

The Links 2025 Junior Golf Program

The Links Junior Golf Program is designed for ages 7-14. Juniors do not need any prior experience as the program is designed for any skill levels, and all students are welcome! Advanced junior golfers may be better suited for our private or semi-private golf lessons, however, so feel free to inquire if interested.

Our instructional staff is comprised of PGA Members and dedicated staff committed to providing the best experience possible and increasing each junior's knowledge and passion for the game.

To ensure a quality learning experience for all our students, we limit class sizes to a maximum **5:1 student to teacher ratio**. We want to make this enjoyable for everyone involved!

If you have any questions, please give us a call at **303-470-9292**.
